The SLII Experience™

Training for Trainers

The SLII® Model

The SLII® program—is the most widely taught leadership model in the world. It is based on a model that teaches leaders to use the appropriate leadership style in response to the needs of the person and the situation.

Our new learning design—The SLII Experience—uses game-changing techniques that immerse learners in SLII quickly, deeply, and effectively. Training for Trainers (T4T) sessions prepare prospective trainers to roll out The SLII Experience into their organisations

Who Should Attend?

Trainers, Facilitators and Individuals responsible for mentoring, coaching, and developing others.

Prerequisite for Attendance

Trainers must complete the SLII Experience Workshop prior to attending the SLII Experience Training for Trainers. Workshops typically occur within the same week as the Training for Trainers to accommodate scheduling and travel arrangements.

Become highly skilled at goal setting, coaching, performance evaluation, active listening, feedback, problem solving and link goals to action plans.
